Full medical records – Subject Access Request (SAR)	*Free of charge*	

Please note, patients may only request a single copy of their Medical Records for free. Multiple or repeat requests will be charged at a price determined by the size of the request and the time taken to produce Medical Records.

Patients may view and access their own health record via the NHS App, and we therefore request that patients utilise this service to access their medical records where possible. Patients are also kindly requested to only request relevant information from their medical record.

Producing a SAR's is timely and therefore we kindly ask that patients are considerate in their SAR requests in all instances.

SERVICES NOT OFFERED BY OAKS HEALTHCARE

As a practice we have had to make the difficult decision to stop completing a number of private medical forms. This decision has arisen as a result of a number of high-flying court cases with GP practices being sued due to incorrect or incomplete information being submitted on these forms. These types of private work often require specialist knowledge and expertise that fall outside the general practice remit.
